

INSPIRED LIVING

about tara residency

Tara's aim is to contribute to the well-being and comfort of our guests delivering unforgettable stay experiences. Thrive to provide with best of both leisure & Business amenities. It's a bundle of all the kinds of comforts that you crave when away from home. A well being property offering 1, 2 Bedrooms & Suites with convenient access to all the attractions of Hyderabad.

Located in the Heart of Hi-tech city, these offices give you the option of a great location without the hassle and const of setting up your own office with 24 hours Free High Speed Internet access, Pick up and drops, GYM, Spa and many more facilities. We provide serviced office space that prides itself on friendly and professional customer service, good value and flexibility.

Tara offers a wide range of holistic wellness, rejuvenation and beauty treatments administered under the guidance of expert therapists.

Most importantly an impressive array of facilities for our clients from the minute they walk through the doors. Each of the studios represents a particular natural element to offer unique comfort levels quite unparalleled in serviced apartments industry.

The calm and stylish decor is warm and inviting with promise of a stay that is not only indulgent but invigorating. But the best feeling of it all is to see our guests who keep coming back. To them, Tara is not just another Serviced apartment but it is a business boutique hotel.

We could not have asked for more! Also, its our endeavor to contribute to the well-being of our guests who crave for homely comforts and work places when out on tours.
